

SPACE STEP

Transform previously unused toe kick space with SPACE STEP. This innovative solution not only enhances storage possibilities, but also serves as a discreet step. Whether gaining access to high cabinets or using as a convenient seat to put on shoes, the potential is limitless.

- Enables access to storage in wall cabinets
- Creates additional storage space in the drawer underneath the step
- Can be combined with all Blum box and runner systems
- Can be combined with all motion technologies
- Features anti-slip system
- Supports a maximum load of 330 pounds
- Flexible to be utilized in different applications throughout the home

Versatility in Application

Made to fit a variety of applications, SPACE STEP can be used in three different toe kick designs.

Recessed toe kick

Recessed low toe kick

Flush toe kick
