

# ProDryingRack™ Wall Mount

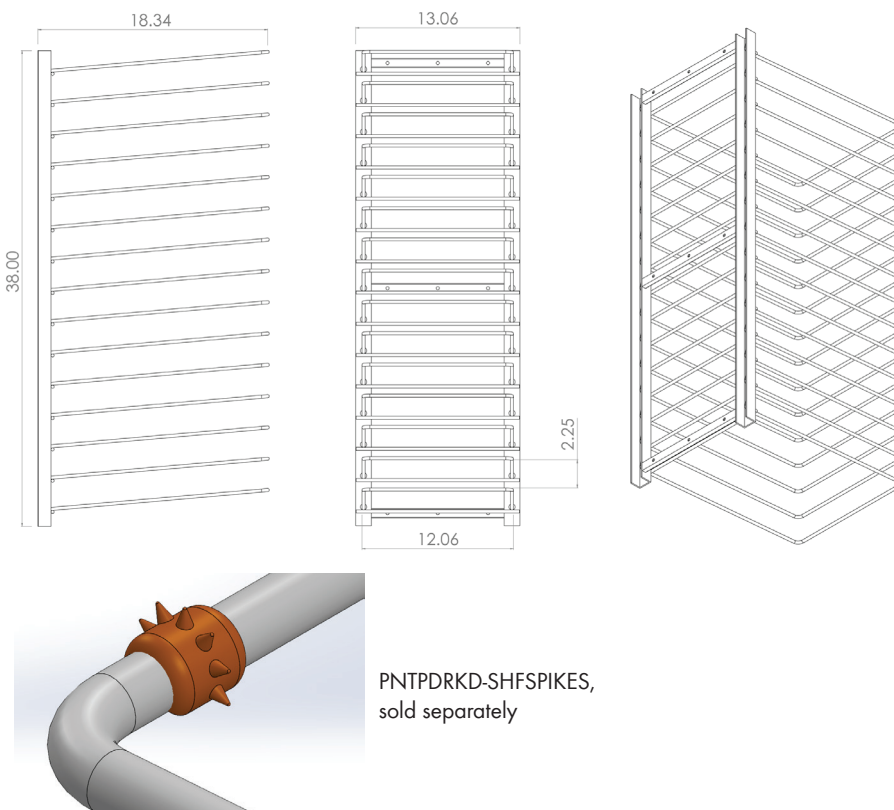

The 15-shelf PDRWM can be easily mounted to a wall with the included hardware and fasteners, creating a stationary rack to help streamline and organize the drying process. With the removable shelves, the PDRWM can be configured to suit, or easily adjusted to accommodate a wide variety of uses.

- Heavy duty construction for years of service, all powder coated steel
- 15 shelf capacity
- Shelves hold up to 25 lbs. each
- 2.25" spacing between each removable shelf
- Removable shelves for customization
- Add multiple units to accommodate millwork and trim
- Add PDRKD Shelf Spikes to the shelves to minimize the surface area touching the stained or painted part (sold separately)
- Freight Included
