

NEW - Floating Shelves!

Easy access hidden storage for valuables

Concealed Storage Floating Shelf Kits

Designed for discreet storage without compromising on design, this shelf is a system that consists of a shelf box and support bracket. The unique trait of the concealed storage bracket is that it is formed as a tray, allowing for storage of small valuables or quick access to self-defense items.

- Carry Capacity: 50 Pounds Each
- Includes: Mounting Bracket/Storage Tray, Shelf Box and Fasteners
