WASH. RINSE. REUSE. REPEAT.

DID YOU KNOW? Did you know that you could wash your dipped gloves? In this current pandemic, hand protection will be more important than ever. We have multiple options for disposable nitrile gloves. However, demand is at an all-time high, and stock is becoming very limited. Did you know that we sell dipped gloves that offer just as much protection as

our disposable gloves? These dipped gloves are reusable, but they can be washed with soap and water just like your hands! Washing your hands with soap and water for 20 seconds is still one of the most effective ways to prevent viruses. Just choose your glove option below and follow the glove care guidelines after each use.

HOW TO CLEAN YOUR GLOVES

DO'S & DON'TS

STEP 1

DO

We recommend washing your Nitrile/Latex/Polyurethane (PU) coated gloves in a sink using mild laundry detergent or dish-washing soap. Wash thoroughly for at least 20 seconds or until gloves are clean.

DON'T

Do NOT use bleach or solvents as these oxidizing agents can cause discoloration.

STEP 2

DO

We recommend air-drying your gloves to prevent any material shrinkage and maintain proper sizing.

DON'T

Do NOT machine dry with heat or expose the gloves to a heat source other than indirect sunlight.

FEEL THE ROAR

The TigerFlex range is our top line in hand protection. Made with the latest innovations in modern production technology with one thing in mind—to give you the highest quality in protection and comfort while ensuring maximum grip.

The result is a range of gloves that provides the perfect balance between safety and usability for a number of different applications. Tailor-made for the needs of our customers.

CHECK OUT OUR FULL PPE OFFERING AT:

www.wurthlac.com

The screenshot shows the Würth website interface. At the top, there is a navigation bar with the Würth logo, company name, and various links like 'Feedback', 'Branch Finder', 'Contact Us', 'Who's My Rep?', and 'Compliance'. There are also links for 'Please sign in My Account' and 'New users & Customers'. Below the navigation bar, there is a search bar and a 'LAMINATE FINDER' button. The main content area features a 'Shop Categories' list on the left, including 'PPE - Personal Protective Equipment', 'Abrasives', 'Adhesives & Lubricants', 'Bathroom Hardware & Accessories', 'Catches & Locks', 'Decorative Hardware', 'Drawer Slides', 'Fasteners & Assembly Fittings', 'Finishing Products & Equipment', 'Functional Door Hardware', 'Hand Tools & Clamps', 'Kitchen Hardware & Accessories', 'Laminate & Edging Products', 'Lighting', 'Machinery', 'Power Tools, Air Tools, & Accessories', 'Pre Fab & Components', 'Shelf & Closet Hardware', and 'Shop Supplies & Safety Equipment'. A large promotional banner is displayed in the center, featuring the text 'CHECK OUT OUR NEW PPE CATALOG!' and 'Let's get ready to rebound together!'. The banner includes images of various PPE items like gloves, a face mask, and a hand sanitizer. A blue arrow points from the text 'CHECK OUT OUR FULL PPE OFFERING AT:' to the banner. Below the banner, there is a call to action: 'LET'S GET READY TO REBOUND TOGETHER! PPE Supplies Available... Learn more!'. To the right of this call to action, there is a 'STAY UPDATED ON COVID-19 WITH WÜRTH LOUIS AND COMPANY!' banner, which includes links for 'See action plans', 'Supplier updates', and 'And much more!', along with a 'Click to see more!' button.
