

## Product details

### Universal boring template

|                            |               |
|----------------------------|---------------|
| Part number                | 65.1000.01    |
| Item number                | 09027861      |
| Color / finish             |               |
| Packaging quantity         | 1             |
| Weight per 1,000 Pcs in kg | 4,246.32      |
| EAN code                   | 9002617781489 |
| UPC code                   |               |

### Technical attributes

| Attribute                   | Value   |
|-----------------------------|---|
| template type               | Universal boring template   |
| calibration                 | Millimeters   |
| additions                   | with clamping   |
| processing of               | 955.TIP-ON and 970.BLUMOTION adapter plates (wing plate and horiz.) |
| processing of               | AVENTOS lift mechanism  |
| processing of               | wing mounting plates  |
| processing of               | mounting plates   |
| processing of               | TANDEM, METABOX, TANDEMBOX cabinet profiles                         |
| application                 | Workshop  |
| length                      | 1000  |
| dimension breakdown         | Calibration from 0 mm to 980 mm                                     |
| type of dimension transfer  | by pre-boring   |
| number of templates         | 4   |
| adjustable template         | Yes   |
| number of rollers           | 8   |
| material                    | Nylon / Alu   |
| assembly device accessories | Stop  |
| assembly device accessories | Allen wrench  |
| item package                | 1 piece   |
