## CANTEK AMERICA.

**Since 1985, a leading supplier of solid wood and panel processing machinery for the North American market.**

[Cantek America](#) woodworking equipment is built to exacting North American standards by the most reputable factories in Taiwan. This gives the customer the best of both worlds. American design quality and excellent overall dollar value it's what Cantek is all about. We sell our machines through reputable dealers who have in-house service technicians. Cantek also has a vast supply of parts and knowledgeable staff to answer your questions. In addition, we stock a wide range of equipment for solid wood & panel processing for both custom and production shops. At Cantek, we offer in-house financing that allows you to purchase your production equipment, allowing it to pay for itself.

### **Knowledgeable Sales Staff**

Our team of account representatives will visit you personally and ensure that you invest in the right solution to your manufacturing challenges. With their broad knowledge base in a wide range of applications and machinery, they can guide you through the various processes from equipment selection, installation, and after-sales support.

### **After Sales Service**

Our service staff ensures that your investment keeps running to maximize the efficiency of your manufacturing process. Some of the services we offer are equipment installation & training, applications training, after-sales technical support, and scheduled periodic machinery maintenance on request.

### **Technical Support**

With a large network of service staff located across the country, we have a vast knowledge base to draw from. Many of the issues that can arise, whether electrical, mechanical, or applications-based, can be solved over the phone. Our service professionals will walk through your issue and work to resolve it. If it cannot be resolved over the phone, we can send a technician to your facility to make it right.

### **Spare Parts**

Our group of inside sales professionals are there to assist you with your requirements for spare parts. We carry a large inventory of spare parts, and this inventory is consistently evaluated to ensure that we have the right parts for your machine. In addition to providing you with spare parts support, our team can offer you consumable products, including blades, belts, wheels, etc., for your machine.

## **CANTEK | PDC203 3HP DUST COLLECTOR**

### **Quality affordable dust collection solution.**

The Cantek PDC203 3HP Dust Collector is ideal for the small shop looking to collect wood dust or for the larger shop to provide additional dust collection beyond the capacity of their central system. The upper and lower bags are made of cotton and help filter the collected air before it is recycled into the shop and also collects the dust for disposal. The base is mounted on casters to be taken to where it is needed in the shop. Click [HERE](#) to learn more.

## Electrics

Other voltages for stock machines are easily and inexpensively achieved through autotransformers that we usually have in stock. Please inquire.

## Leasing

As you consider your equipment options, consider this: Leasing is a flexible finance solution and preferred choice for many companies. We can customize terms to suit your business needs. Our customers benefit from competitive leasing rates, 100% financing, and customized lease terms. For a personalized quote, please phone and ask for our Lease Department, Toll-Free, at 1.888.982.2683 for further information.

## Terms and Conditions

**F.O.B.:** Blaine, WA – We will be happy to get you a competitive freight rate to your plant site on request.

**U.S. Import Duty Brokerage:** Included, but subject to change in accordance with attached conditions governing quotations/sales.

**TARIFFS/DUTIES:** This quotation is based on tariffs/duties currently in effect as of Aug 7 2025 and may be subject to change to reflect any new increased or decrease in tariffs/duties applicable to the product after this date. Any such increased or decrease in tariffs/duties applicable to the product will be added or deducted to this quotation, and the Buyer shall be responsible for payment of same.

**State Sales Tax:** Extra if Applicable.

**Availability:** Normally stock or on order for stock. Check Current Status.

### Terms:

- 30% deposit (non-refundable) with purchase order and our signed conditional sales contract,
- 60% prior to delivery,
- Balance net 30 days with approved credit.

Note: Leasing available on request (see above) & other terms with approval.

### Start-Up & Training:

- Available on request, normal service rates apply.
- The machine must be in place, cleaned, and connected to the electrical/pneumatics with the necessary dust collection hooked up prior to the Technician's arrival.

Note: Tooling and/or other items necessary to operate/test the machine(s) must also be available on startup.

**Pricing E & O E:** Prices are valid for 30 days and are quoted in U.S. FUNDS.

## Conditions Governing Quotations

All quotations must necessarily be subject to certain trade conditions. Misunderstandings occasionally arise because these conditions are not always brought to the purchaser's attention when their order is placed. As a frank understanding with our customers is to our mutual interest, we wish to remind them of the following conditions governing all quotations made by this Company.

**CONDITIONS:** All sales are subject to our standard Terms and Conditions of Sale, particulars of which are available on request and are also on our website as noted above.

**ELECTRICAL COMPONENTS & WIRING:** supplied with UL &/or CSA Approval, if available.

**EXCHANGE RATE:** Where applicable, prices quoted herein are computed based on the current exchange rate position as noted in the quotation. Please see Exchange Rate Clause in our Quotation's Terms and Conditions.

**SHIPMENT:** Any shipping date quoted by us is based on estimated factory delivery. We cannot guarantee delivery, nor do we assume any liability for delays or non-shipment arising from any cause. If the purchaser cancels the order, all incurred charges by the manufacturer/us will be taken by the purchaser.

**TERMS:** Per Terms on Quotation unless otherwise agreed to in writing.

**TIME LIMIT:** This quotation will remain open for acceptance for 30 days from the date of this quotation unless otherwise specified in writing.

**TARIFFS/DUTIES** This quotation is based on tariffs/duties currently in effect as of Aug 7 2025 and may be subject to change to reflect any new increased or decrease in tariffs/duties applicable to the product after this date. Any such increased or decrease in tariffs/duties applicable to the product will be added or deducted to this quotation, and the Buyer shall be responsible for payment of same.

**WARRANTY:** The terms and conditions of our limited warranty are available on our [website](#) or are available on request.

**WARRANTY CLAIMS:** Purchaser agrees to notify Cantek America Inc. in writing for approval in writing (response) by Cantek America Inc. for approval for warranty repairs/alterations (prior to occurrence) to be an applicable condition under our Warranty policy.
