# Base Pull Out II

<http://www.cleverstorage.com/technical-support/>

## Mounting instruction Base Pull Out II

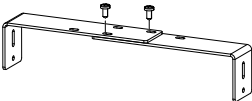

fasteners are  
not included

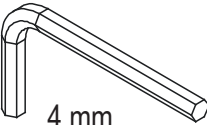

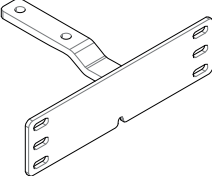

pan head

Optional: Lateral bar kit

necessary for cabinets  
with a drawer

Optional:  
Wide door bracket,  
necessary for cabinets  
18" or wider

4 mm  
3 mm

Installing the shelves

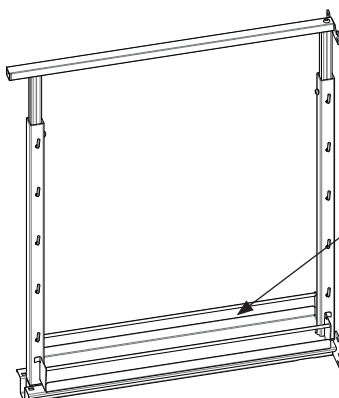

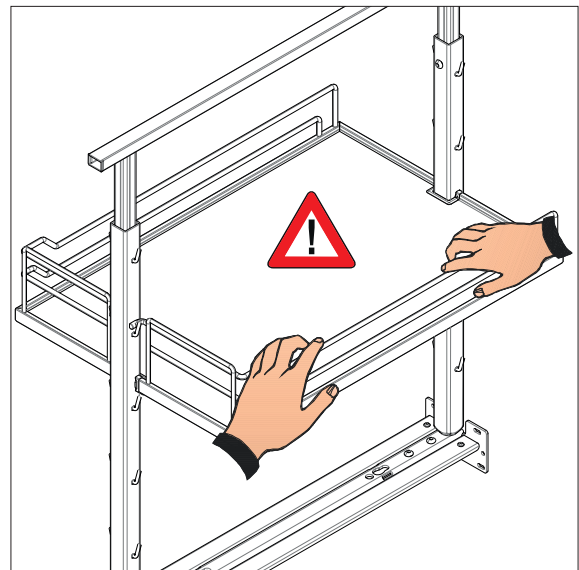

Door

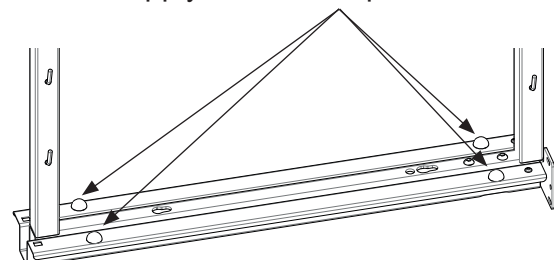

Install shelves resting the front edge first, then engage the back hooks.

Don't push on side rails to install!.

If metal shelves are used in lowest position then apply rubber bumpers!

Subject to technical modifications without notice.
