

BS 118 VEL

Very tear-resistant and velour-backed abrasive paper with hard silicon carbide abrasive grain

Product Benefits

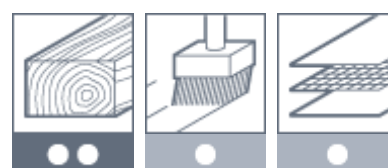

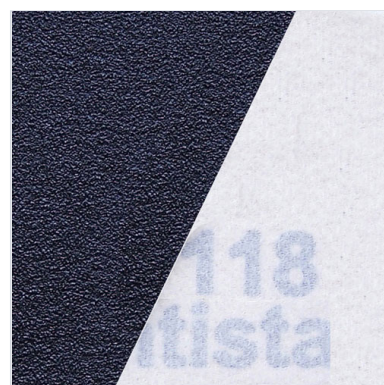

- Very hard silicon carbide abrasive grain
- Extremely stable combi paper backing in grit range P 16-P 36 and a stable F-weight paper backing with a good edge stability in other grits
- Very fine surface pattern

Applications

- Angle-grinding edges and surfaces of granite, marble and terrazzo, for example
- Initial, intermediate and fine sanding of parquet floors with single-disc sanders
- Antistatic structure prevents premature clogging with dust

Product Structure

Type	11807
Grain	Silicon carbide
Bonding	Resin, antistatic
Backing	F-Papier, velours-kletthaftend
Coating	closed
Grit range	P 16, P 24, P 36 - P 120, P 180 - P 220, P 320, P 400, P 600 - P 1200

Wood Lacquer Composite

Glass and Ceramics Stone
