Robert Dour
Wurth Louis And Company
909 Forest Edge Dr.
Vernon Hills, IL 60061

Dear Robert:

Woodwork Institute has received your product acknowledgment request and its accompanying documentation. The following product is in compliance with the North American Architectural Woodwork Standards (NAAWS) minimum requirements:

Wurth Louis and Company, PRO 100, Ball Bearing, Full Extension, 100 lb. rated, Drawer Slide

This product will be listed on Woodwork Institute's website (www.woodworkinstitute.com) under the acknowledgment product listing, which can be found on the home page, upper right hand corner in the green banner, under the heading Acknowledged Products.

This letter, as well as the listing on the website, may be used as evidence of WI's acknowledgement of your product's compliance.

If we can be of further assistance, please call or contact us via e-mail.

Sincerely,

A handwritten signature in green ink that reads 'Samantha Davis'.

Samantha Davis
Certification Coordinator
